🌐 H-index: 12

Career Objective

- 📌 To contribute to cutting-edge Machine Learning and Large Language Model (LLM) systems by leveraging my expertise in Python, Information Retrieval, and NLP, and to build scalable, intelligent solutions that solve real-world problems in domains such as legal AI and enterprise search.

Interest Domains and Others

Research Interests

- 📌 Information Retrieval on Microblog and Legal Domain. Speaker diarization, from live courtroom proceedings, and virtual conversational agents in the Law domain using language models are my interest areas. Improving retrieval performance on Noisy and Code-mixed short unstructured Text, Optimization techniques for Data Fusion, Query Re-weighting and Expansion, Depression detection using Information Retrieval, Machine Learning, and Natural Language Processing.

Main Grants Received

- 📌 *SIGIR 2016 Donald B. Crouch travel grant* (\$2,300.00).

Major Publications

- 📌 **AI-Law 2025, SIGIR (Core A*) 2016**, LWA 2014, TALIP 2008, IJWS 2012, ISF 2018

Education

2015 – 2021

- 📌 **Ph.D.** from Jadavpur University, India, in Information Retrieval.
Thesis Title: “Information Retrieval from Microblog”.
Defended: 4th August 2021.
Awarded: 24th December 2021.

2004 – 2006

- 📌 **M.Sc.** from Visva-Bharati University of Computer Science.

2001 – 2004

- 📌 **B.Sc.** from Visva-Bharati University in Computer Science (Honours)
Pass: Statistics & Mathematics.

1999 – 2001

- 📌 **Pre-Degree** from Visva-Bharati University.

1997 – 1999

- 📌 **School-Certificate** from Visva-Bharati University.

Skills

OS 📌 GNU/Linux (Ubuntu, Fedora, RedHat)

Coding 📌 Python, R, Shell (Bash), C, Java.

Misc. 📌 $\LaTeX$, HTML, Javascript, PHP, .

Doctoral Thesis

Title	Information Retrieval from Microblog.
Defended	4 th August 2021.
Awarded	24 th December 2021.

Research Publications

• Submitted and 2nd level review in process

LLM-assisted creation of prompts-responses dataset for Indian legal queries in AI-LAW Journal

Miscellaneous Experience

Awards and Achievements

- 2019  Worked as scientific cooperation at the University of Hildesheim, Germany.
- 2017  Visited *School of Computing & The Adapt Center at Dublin City University* as a part of a collaboration between *Dublin City University* and *Indian Statistical Institute* from 3rd April 2017 to 19th May 2017.
- 2016  *SIGIR 2016 Donald B. Crouch travel grant* (\$2,300.00).

Offline  Programming in Python, 2022 (Aug-Dec)

Professional Activities

-  Co-ordinator of “*Information Retrieval in Software Engineering (IRSE)*” track FIRE 2023.
-  Co-ordinator of “*Information Retrieval in Software Engineering (IRSE)*” track FIRE 2022.
-  Symposium on Artificial Intelligence and Law (SAIL) (<https://sites.google.com/view/sail-2021/>)
-  Symposium on Artificial Intelligence and Law (SAIL) 2022 (<https://sites.google.com/view/sail-2022/>)
-  Organizer of “*Artificial Intelligence for Legal Assistance (AILA)*” 2021 Track on FIRE 2021 (<https://sites.google.com/view/aila-2021>).

Employment History

- 13/01/2026 – 31/03/2026  Worked as a *Visiting Scientist* at the *Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata*.

Employment History (continued)

01/08/2025 – 15/11/2025	Associate Professor, Computer Application Department (BCA), in Techno India University, West Bengal (TIU, WB).
20/02/2024 – 30/07/2025	Assistant Professor, Computer Application Department (BCA), in Techno India University, West Bengal (TIU, WB).
01/03/2021 – 16/02/2024	“Postdoctoral Fellow” at the Institute for Advancing Intelligence (IAI) of The Chatterjee Group (TCG), Centres for Research and Education in Science and Technology (CREST)(http://www.tcgcrest.org).
23/08/2019 – 25/02/2021	“Junior Project Officer - Research” at Centre for Artificial Intelligence, Indian Institute of Technology, Kharagpur.
01/03/2021 – 16/02/2024	Worked as “Postdoctoral Fellow” at <i>Institute for Advancing Intelligence (IAI) of The Chatterjee Group (TCG), Centres for Research and Education in Science and Technology (CREST)</i> (http://www.tcgcrest.org).
23/08/2019 – 25/02/2021	Worked as “Junior Project Officer - Research” at Centre for Artificial Intelligence, Indian Institute of Technology, Kharagpur at the “Integrated Information System and Knowledge Discovery Platform for ONGC”, project, sponsored by Oil and Natural Gas Corporation Limited (EPINET, NDB, KDMIPE Campus, Main Building, 1st Floor, Kaulagarh Road, Dehra Dun, Uttarakhand-248195).
03/04/2019 – 30/06/2019	Worked as scientific cooperation at the University of Hildesheim, Germany.
22/05/2017 – 31/03/2019	Worked as a <i>Project Linked Research Fellow</i> on a project titled “Information Retrieval from Microblogs” at the <i>Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata</i> .
03/04/2017 – 19/05/2017	Visited <i>School of Computing & The Adapt Center at Dublin City University</i> as a part of collaboration between <i>Dublin City University</i> and <i>Indian Statistical Institute</i> .
06/10/2016 – 31/03/2017	Worked as a <i>Project Linked Research Fellow</i> on a project titled “Information Retrieval from Microblogs” at the <i>Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata</i> .
13/01/2015 – 05/10/2016	Worked as a <i>Project Linked Research Fellow</i> on a project titled “Development of a Cross Lingual Information Access System (Phase II)” in the <i>Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata</i> .
The project is a consortium-mode project funded by the Department of Information Technology, Government of India, in which 13 leading institutes of India are working together to create a cross lingual search engine for Indian languages.	
03/06/2011 – 02/06/2014	Worked as a <i>Project Linked Person</i> on a project titled “Development of a Cross Lingual Information Access System (Phase II)” in the <i>Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata</i> .
The project is a consortium-mode project funded by the Department of Information Technology, Government of India, in which 13 leading institutes of India are working together to create a cross-lingual search engine for Indian languages.	

Employment History (continued)

- 01/10/2010 – 31/05/2011  Worked as a *Project Linked Person* in an internally funded project titled “Sub-document-level Information Retrieval” in the Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata.
The project was a consortium-mode project funded by the Department of Information Technology, Government of India, in which 10 leading institutes of India worked together to create a cross lingual search engine for Indian languages.
- 13/04/2007 – 31/07/2010  Worked as a *Project Linked Staff* on a project titled “Development of a Cross Lingual Information Access System (Phase-I)” in the Computer Vision and Pattern Recognition Unit (CVPRU), Indian Statistical Institute (ISI), Kolkata.

The project was a consortium-mode project funded by the Department of Information Technology, Government of India, in which 10 leading institutes of India worked together to create a cross lingual search engine for Indian languages.

Personal Profile

- Local address  15/4, Bindhya Basinitala Road,
Ariadaha, Kolkata-700057
- Permanent address  C/o Gourhari Bandyopadhyay,
Vill. - Dihipara, P.O. - Sian.
Birbhum - 731204, West Bengal, India.
- Father's Name  Gourhari Bandyopadhyay.
- Date of birth  January 24, 1983.
- Sex  Male.
- Nationality  Indian.
